Philosophy

La storia della nostra azienda è la storia della nostra famiglia. Sante Ferretto, abile artigiano nella lavorazione del metallo, divenne un capace imprenditore fondando nel 1963 la sua prima azienda specializzata in ferramenta e componenti per il mobile. Con passione ed esperienza, in pochissimi anni, ha costruito con le sue mani il successo della sua impresa che presto divenne leader nella componentistica del mobile d'Arte: maniglie apprezzate per la qualità dei materiali e la cura delle finiture da una clientela sempre più vasta in Italia e all' estero. Una storia di successi e di soddisfazioni che hanno fatto crescere negli anni la fama e la stima della nostra azienda.
